

# Giant Fans

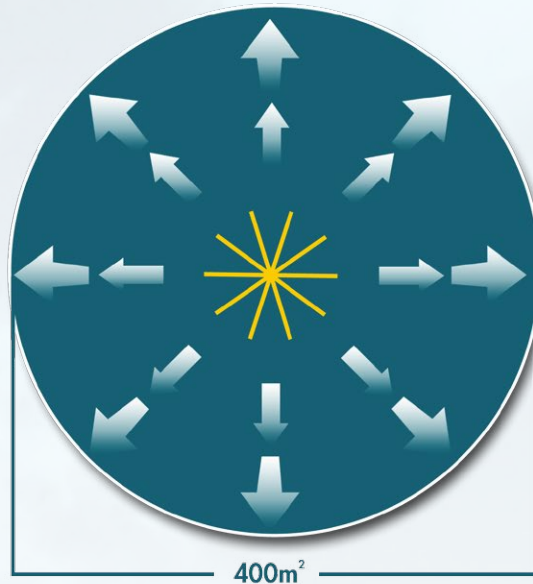

UP TO  
8000mm  
DIAMETER

- Australian Made
- Variable Speed Control
- Forward & Reverse Rotation
- Size: 2500mm - 8000mm diameter
- Low cost, efficient factory cooling
- Easy Installation

## DIAMETERS AND SPECIFICATIONS

	7.3m	6m	6m	5.5m	5.5m	4.9m	4.3m	3.6m	3m	2.4m
<b>Displacement CFM</b>	376,804	242,524	201,805	213,978	179,015	158,911	128,010	97,695	83,025	83,623
<b>Max. Effective Area m<sup>2</sup></b>	20,000	15,000	15,000	15,000	15,000	15,000	8,000	7,000	5,000	4,000

<b>Motor Horsepower</b>	2	1.5	1	1.5	1	1	1	1	1	1

ALL THE FRESH AIR YOU COULD EVER NEED - ALL FROM ONE PLACE

## More coverage

Deeper jets of air maximise effective coverage area

## More comfortable people

Deeper jets of air and greater reach combine to move air over obstacles

## WHY CHOOSE GIANT...?

- Personnel Comfort
- Significantly increases personnel productivity
- Excellent Air Quality Optimization
- Very low energy usage
- Low maintenance
- Easy installation
